ORGANISATION

Congress Organiser

The French Neuroscience Society is a non-profit association of researchers belonging to the public or private sector, from all neuroscience fields, from basic to clinical research.

The French Neuroscience Society

- Promotes research in all fields of neuroscience,
- Informs policy makers about the need of a strong support for research on brain mechanisms & dysfunction,
- Supports education and training of young researchers,
- Fosters interactions between scientists and highlights their findings,
- Shares scientific knowledge with the general public and takes part in discussions on the societal impact of neuroscience.

Membership in 2021: nearly 2,000
