

25th annual meeting of the Club Exocytose-Endocytose Lacanau (Gironde), June 1-3, 2023

Thursday June 1st

11h30-12h30: Welcome and registration

12h30-14h: Lunch

14h15-14h30: Opening remarks and introduction

14h30-15h10: Keynote Lecture **Shigeki Watanabe (Johns Hopkins University, USA). Spatial and temporal control of synaptic vesicle exocytosis and recycling**

15h10-16h25: **Session 1 Neurobiology (chair Nicolas Vitale, INCI Strasbourg)**

4 selected talks

16h25-16h45: coffee break

16h45-18h30: **Session 2 Extracellular vesicles (chair Guillaume Van Niel IPNP Paris)**

5 selected talks

18h45 – 21h00 Wine tasting and dinner

21h00-22h45: Poster session I

Friday June 2

8h45-9h25: Keynote Lecture

Emmanuel Derivery (Laboratory of Molecular Biology, Cell Biology Division, Cambridge, UK) Mechanisms of polarized trafficking induced by cytoskeleton asymmetries

9h25-10h40: **Session 3 Mechanobiology (chair Guillaume Montagnac, Institut Gustave Roussy, Villejuif)**

4 selected talks

10h40-11h00: Coffee break

11h00-12h15: **Session 4 Endocytosis (chair Nathalie Sauvonnet, Institut Pasteur, Paris)**

4 selected talks

12h15-13h15 Lunch

13h15-16h15 Free time by the ocean

16h15-16h55: Keynote Lecture **Francesca Bottanelli (Free University Berlin, Germany) Dynamics of the secretory pathway at high spatial and temporal resolution**

16h55-18h10 **Session 5 Exocytosis (chair Stéphane Gasman, INCI Strasbourg)**

4 selected talks

18h15-20h00 Poster Session 2

20h30 Gala Dinner

Saturday June 2nd

9h00-10h30: **General assembly of the “Club Exocytose-Endocytose”**

10h30-10h50: Coffee break

10h50-11h10: **Thesis prize**

11h10-12h25: **Session 6 Lipid and membrane contact sites (chair Francesca Giordano, Institut Jacques Monod Paris)**

4 selected talks

12h25-12h45: **Best presentation prizes and closing remarks**

12h45: Lunch and departure
